This year's theme – ENGAGE – reflects our focus on coming together to increase the success of all ARI members. ENGAGE 2018 offers more ways than ever to:

- Get training from fellow recyclers and industry experts on today's hottest topics, including e-commerce, recalls, social-media marketing, employee retention strategies and more.
- Discover new technologies and products (and new ways to use existing ones) to grow sales, improve operational efficiency and maximize profits.
- Engage with fellow ARI members and industry experts to discuss industry trends, share best practices and swap success strategies.
- Come together to ensure that ARI remains a strong and vibrant industry organization.
- Network with other Indiana recyclers with a range of social activities, including breakfast, lunch and our ever-popular expo.
